

The Governing Body of Kenmore Park Junior School.

Please contact the school should you wish to contact a governor.

The governing body made is made up of school staff, LA representatives, co-opted governors and parents who work to enhance the school in all areas. It works on the basis of a 'critical friend,' holding all to account in the public interest and the interest of the pupils. It's core function is to hold the head teacher to account, set strategic direction and ensure the financial integrity of the school.

It derives its authority from an 'Instrument of Governance' and operates within a range of guidance from the LA/Government.

Its work is transparent and key decisions are available to the public in the form of minutes taken at each meeting. Certain information relating to Child Protection or confidential items relating to individuals may not be made public.

The school can provide these minutes on request.

Available on request:

1. Minutes of meetings, e.g. finance sub-committee, full meetings and related committees
2. Instrument of Governance
3. Governor Allowances (on the school website)
4. Contact details of individual governors, e.g. chair of governors.

Please contact the school for any requests for documentation or contact details of governors.

Business and Financial interests

Governors at KPJS are required to declare formally any business or financial interests they have in the school, it's suppliers or partners. Governors are required to declare any conflicts of interest in decision making, procuring services or products and these are formally recorded. At present, no governors have any financial or business interests in the school, apart from school staff who are employed by the school. In these cases, they refrain from voting in any area that might be construed as a conflict of interest.

Committees of the Governing Body.

Governors decide what committees are set in order to effectively execute its functions
Currently, the GB has the following committees:

Finance and Premises

Members: Mr Baumring, head, Mr Parekh, C. Kittredge, Mr Shiyani, V Patel.

Pupil Achievement and Development

Members: Mr Baumring, Mr Murji, Leslie Stackpoole, Mrs Omar, Mrs Parbhoo, Mr Parekh, Mr Martin

Other committees are voted in nominally, e.g. Parent Complaint Committee, Head Teacher's Performance Committee, Staff Discipline Committee, and meet when the eventuality arises. They do not meet unless the need arises and if so, they are made up of a range of existing governors.

Curriculum link governors

Governors are linked to an area of school life and are encouraged to explore these aspects in more details through visits, meetings with pupils and staff and scrutiny of relevant documents. (Please note, infant school governors are also listed)
